## *Narasaraopet Church of Christ News Letter*

It is happy to inform that 2<sup>nd</sup> Anniversary will be held at Ellamanda Church of Christ on 19<sup>th</sup> Dec, 2011 on the occasion of completion of two years of Church building at Ellamanda village, Narasaraopet mandal in Guntur District of A.P State.

The proclamation of the Gospel was started in this village in the decade of 1970 by the great International Evangelist late Bro.Claude A.Guild [USA] with the local preacher late Bro.B.Albert Prakasa rao. God blessed their ministry and many souls in the village turned towards Christ and accepted the New Testament Truth. Since then they were all gathering in houses and open areas for participation in church worships and its activities. Later they raised a prayer shed in the village and gathered there. But they were asking God for a permanent church building for them. Late.Bro.Claude A Guild, Late Bro.Albert, Sis.Premalatha Lydia and many brothers and sisters prayed for the cause. Thereafter Narasaraopet Church of Christ had taken up the construction of a church building at Ellamanda with it funds raised through Bro.Jack F.Nickell [USA] a great philanthropist. Accordingly God blessed them and gave a beautiful building for the church at Ellamanda and the same was inaugurated on 19-12-2009. Since then all the members of Church of Christ in the village have been gathering in the building and offering their prayers. It was proved that the prayers of the righteous will not go vain [Pet.]. Surely they will give fruits.
